Crew may also use Library bathrooms as long as WORKAHOLICS provides a thorough, post-shoot cleanup of the bathroom facilities. (Crew is NOT permitted to access or shoot in any staff workroom areas.) FOOD AND/OR BEVERAGES are NOT perrmitted inside of the branch at any time.

The crew will be using two generators that must be placed outside of the branch.

Due to the production starting very early, WORKAHOLICS may use the parking lot to station their equipment, craft services and cast/crew vehicles ONLY during the duration of the shoot. They must leave at least three spaces available for staff parking. The Branch Manager has approved of the crew parking some of their production vehicles in the staff parking lot as long as all production/crew vehicles have exited the staff lot by 12:30pm that day.

The security deposit will be returned upon proof of no damages to the premises and upon proof that any City/Library personnel assigned to the shoot have been compensated in full.

WORKAHOLICS Off is required to do the following:

-- All cable must be taped down a minimum of every 6 feet and black and yellow protective covers placed over cable in each walkway/doorway to prevent tripping.

-- The crew will not lean any lights, equipment or carts on the Library building or other property of the Library for the purposes of the shoot, except where noted above.

The contact persons for this shoot are Evan Peller at (310) 259-4240. The contact in the Library Public Relations Office is Maria Villarreal at (213) 228-7313.

DRAFT

- Nudity is prohibited and not allowed in any Recreation and Parks facility.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
